

Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts to be able to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They enjoy offering items which energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

When needed, the staff members within TREK and its numerous dealer members in both parts and in technical support will be available. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines running and ready daily is top priority. The company's top of the line technology delivers dependable machinery that ultimately reduces your cleaning expense. The service, the product and the price all work as one to make them the leader in the industry.
